- If you transferred to York College with credit for General Education requirements, you must still complete one (1) WI course in the upper division within your major. If your major has no upper division WI course, you must take a WI course chosen in consultation with your major advisor.
- B.A. students must complete 90 credits of liberal arts – See Bulletin.
- Students are strongly encouraged to select a Minor program of study, in consultation with an academic advisor, especially those planning to attend graduate school. Minor courses would replace the “free electives” in the Four-Year Plan.

*ECON 102 may also be taken to fulfill the Flexible Core: Individual and Society.

**ECON 390 may also be taken toward fulfillment of the College Option Core: Writing Intensive requirement.
