

## 2016-2017 Pathways Major Plan

### Business Administration-Logistics & Supply (BS)

Department of Business and Economics  
 School of Business and Information Systems  
 Academic Core 2B06 | 718-262-2502

The following is a **suggested** plan of study for completion of this degree program.

The goal of a Major Plan is to ensure that students who completed an Associate's Degree (AA or AS) graduate with no more than 120 credits and within a minimum of three years.

- All students should speak with an academic advisor about their academic programs.  
**This document is not a substitute for academic advisement.**
- Students are encouraged to take Winter and Summer courses to facilitate their progress towards graduation.
- This plan requires transfer credit for the following courses:
  - ENGL 125 (English Composition I)

	Credits		Credits

Logistic & Supply Elective Course	3	Logistic & Supply Elective Course	3

Note: All students majoring in Business Administration must take ECON 102, ECON 103, ECON 220, and MATH 115 or MATH 121 in partial fulfillment of graduation requirements. Transfer students must present or complete these courses, even though they have an Associate degree where all General Educations Requirements have been waived

- York students are required to complete (pass) three (3) Writing intensive (WI) courses: two (2) in the lower division (100-200 level) and one (1) in the upper division (300-level).
- If you transferred to York College with an Associate's degree (AA, AS, AAS), or with credit for General Education requirements, you are exempt from completing two (2) of your WI courses. You must still complete one (1) WI course in the upper division within your major. If your major has no upper division WI course, you must take a WI course chosen in consultation with your major advisor.
- B.S. students must complete 60 credits of liberal arts – See Bulletin.
