

# Pathways Four-Year Plan 2015-2016

## Health Science (BS)

### Health Care Management Concentration\*\*

Department of Health Professions

School of Health Sciences & Professional Programs

Room SC-112 | (718) 262-2823

The following is a **suggested** plan of study for completion of this degree program. The goal of a Four-Year Plan is to ensure that students graduate with no more than 120 credits and in four years.

- All students should speak with an academic advisor about their academic programs. **This document is not a substitute for academic advisement.**
- Students are encouraged to take Winter and Summer courses to facilitate their progress towards graduation.
- Transfer students do not need to take all courses in the plan; they should consult with an academic advisor.

	Credits		Credits
<b>First Year – Fall</b>	<b>16</b>	<b>First Year – Spring</b>	<b>14</b>
English Composition (EC): English 125	3	English Composition (EC): English 126	3

College Option (CO): Writing 300 course or 200+ WI	3	Economics 220	3
<b>Fourth Year – Fall</b>	<b>16</b>	<b>Fourth Year – Spring</b>	<b>13</b>
College Option (CO): Foreign Language+	3	College Option (CO): Foreign Language+	3
Health Science 401 (WI)	4	Health Science 402	4
Health Science 302	3	Business 301	3
Business 283	3	Business 315	3
Health Science 303	3		

- York students are required to complete (pass) three (3) Writing intensive (WI) courses: two (2) in the lower division (100-200 level) and one (1) in the upper division (300-level).
- If you transferred to York College with credit for General Education requirements, you must still complete one (1) WI course in the upper division within your major. If your major has no upper division WI course, you must take a WI course chosen in consultation with your major advisor.
- B.S. students must complete 60 credits of liberal arts – See Bulletin.

\*\*Students in the Health Science major must complete either the Health Care Management Concentration or the Pre-Health Professional Studies Concentration.

\*Students who do not place directly into Math 121 are required to first complete Math 119 and 120. Math 119 and 120 will fulfill the Mathematical & Quantitative Reasoning (MQR) Pathways requirement.

+Foreign Language courses are determined through placement by the Foreign Language Department, Room 3C08.
