### MEMORANDUM

---

TO: PSC Chapter Chair Janice Cline & York PSC Executive Committee  
All York College Adjuncts

FROM: Marcia V. Keizs, President

DATE: October 18, 2012

SUBJECT: Response to Adjunct Petition Regarding Payroll Delays

---

I have received your petition requesting answers to several questions about the delays in adjunct pay. While members of the York College Administration and I have had several meetings with the PSC chapter representatives on this matter, including the Labor Management meeting on October 11, 2012, I would like to give everyone the opportunity to have your questions directly answered by me or other members of my team. To that end, I am inviting interested members of the college community to a meeting on Tuesday, October 23, 2012 from 5 pm-6 pm and Thursday, October 25, 2012 from 1 pm-2 pm in the Faculty Dining Room, 2D01.

Let me affirm that all adjuncts will be fully paid for work for which they have been contracted. As stated in an earlier communication, York College could not provide instruction to our more than 8,000 students without our valued adjuncts. The College and I regret any disruption the delay in your pay may have caused you and we are taking steps to improve our processes.
